

CLEARSTAR

A Member of the Marabu Group

Wide Format Solvent Inks

MaraJet solvent inks offer outstanding performance and value for your printing needs by combining excellent light fastness, vivid color density and a wide color gamut. Sold in 1L bulk containers MaraJet saves time and money.

Specifically formulated for each printer model, MaraJet inks provide an unsurpassed level of quality and reliability.

Why MaraJet?

- ★ Lower Production Cost
- ★ Large Color Gamut – Produce bright reds and greens
- ★ Wide Range of Substrates – Excellent adhesion to both coated and uncoated substrates
- ★ Bright Spot Colors
- ★ Problem Free Printing
- ★ Accurate Color Reproduction

Supported Printers

- ★ Mimaki JV3
- ★ Seiko ColorPainter
- ★ HP DesignJet 9000
- ★ Roland Solvent Printers

For the best possible light fastness use Clearstar liquid laminates in conjunction with MaraJet solvent ink. For applications that will endure mechanical stress, such as vehicle graphics, we recommend using ClearShield® to provide the added abrasion and chemical protection needed.

MaraJet

Wide Format Solvent Inks

Proven History

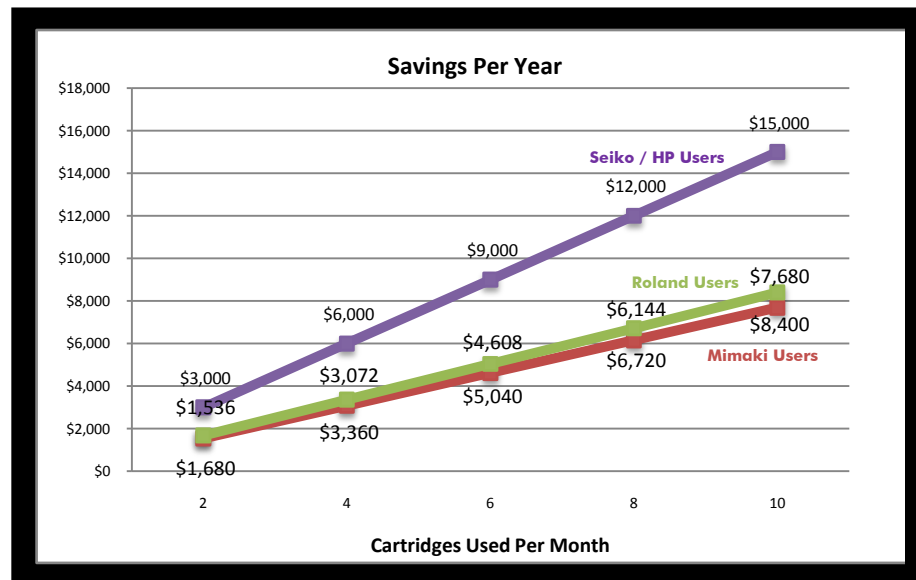

Marabu is a leading manufacturer of Screen, Digital and Pad Printing Inks with headquarters near Stuttgart, Germany. Marabu's ink portfolio includes several industry-first solutions in both industrial and graphic printing. It's strong reputation for technical service, customer training and environmental awareness are unsurpassed. Marabu has been ISO 9001 certified since 1995 and ISO 14001 since 2003.

Wide Range of Applications

The use of high quality pigments allows MaraJet to be used in applications that require long term outdoor exposure. MaraJet's optimum formulation allows for the use of a wide range of coated and uncoated media. These characteristics combined with MaraJet's high chemical and abrasion resistance allow it to be used in all of your applications including banners, outdoor signs, POP displays and vehicle wraps.

Clear Savings

Using MaraJet solvent inks will save you thousands of dollars annually. The chart below demonstrates how much money you can save based on the number of cartridges used each month.

Unbeatable Support

The Clearstar LP team has over 35 combined years of experience in the printing and graphics industry. We are fully aware of the issues customers face when they choose not to use the ink provided by their printer manufacturer and are ready to help you succeed.
